

**NOVEMBER** is the 11th month on the Gregorian calendar, but it use to be the 9th month BEFORE January & February were added.

**FLOWER:** It is the Chrysanthemum, also called Mums. Per NASA, these flowers kept indoors will clean the air of your home. They are also found in beauty products, teas, wines, & some medicine.

**BIRTHSTONE:** It is the YELLOW TOPAZ, once the symbol for the Egyptian sun god because of its golden glow. Today this stone is a symbol for friendship and hospitality. (Topaz also can be found in blue, red, orange, green, black, & colorless.)
