Romans added it in 700 BC. <i>Februare</i> means "to purify", as the Romans purified themselves in February to prepare for festivals. February Flower: VIOLET -- The Christian priest, St. Valentine, while imprisoned by the Romans, used ink made from crushed violets that grew outside his prison cell to write notes of love and friendship. February Birthstone: AMETHYST -- In Greek, <i>amethyst</i> means "not intoxicated" as some believed it protected against drunkenness, as well as to protect crops. CELEBRATE BLACK HISTORY MONTH in FEBRUARY -- A time to reflect & celebrate African American history and accomplishments.
