

# UNDERSTANDING

Dementia, Alzheimer's Disease & Parkinson's Disease

**Public Welcome!**

## JOIN US FOR AN EDUCATIONAL SEMINAR

focused on key research for advanced memory loss and central nervous system disorders, specifically dementia, Alzheimer's disease and Parkinson's disease. Hear from two medical experts—Dr. Juebin Huang, Associate Professor at University of Mississippi Medical Center (UMMC) Mind Center and Dr. Natividad Stover, Associate Professor at University of Alabama, Birmingham on their research and the progress that has been made in the field.

### Juebin Huang, MD

Dr. Huang's clinical practice is focused on general neurology with a special interest in neurodegenerative and movement disorders such as Alzheimer's disease, Parkinson's disease, Tremor, Vascular dementia, and Mild Cognitive Impairment. His research interests include exploration of experimental therapeutics for Alzheimer's and Parkinson's diseases and the study of Neuroimaging biomarkers for aging and dementia. Dr. Huang is a member of the American Academy of Neurology.

### Natividad Stover, MD

Dr. Stover specializes in neurology, movement disorders, Parkinson's disease, deep brain stimulation, and dystonia. Dr. Stover is affiliated with Birmingham VA Medical Center and the University Of Alabama Hospital.

**SATURDAY,  
AUGUST 5<sup>TH</sup>**  
**9am-12pm**

Enjoy light refreshments and  
educational talks by medical experts:

**Dementia and Alzheimer's Disease:  
Research and Progress**  
*Presented by Juebin Huang, MD*

**St. Catherine's Village Q&A**  
*Presented by St. Catherine's Village*

**Parkinson's Disease:  
Research and Progress**  
*Presented by Natividad Stover, MD*

**Tours of St. Catherine's Village  
will also be available!**

**ST.  
CATHERINE'S  
VILLAGE**

a service of St. Dominic's

*RSVP by Friday, August 4th:*  
**(601) 856-0123**
